**ACKNOWLEDGMENT OF RISKS
ASSUMPTION OF RISK AND RESPONSIBILITY
and RELEASE OF LIABILITY**

WARNING: There are significant elements of risk in any adventure, sport or activity associated with a "rock gym" climbing wall, bouldering area, and incidental weight and fitness training regimens and equipment (referred to herein as 'Activity'). Although we have taken reasonable steps to provide you with appropriate equipment and/or skilled instructors so you can enjoy an activity for which you may not be skilled, we wish to remind you this activity is not without risk. Certain risks cannot be eliminated without destroying the unique character of the activity. The same elements that contribute to the unique character of the activity can be causes of loss or damage to your equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death.- We do not want to frighten you or reduce your enthusiasm for this activity, but we do think it is important for you to know in advance what to expect and to be informed of the inherent risks.

ACKNOWLEDGMENT OF RISKS: I acknowledge that the following describes some, but not all of the risks: 1) Slips, trips, falls or painful crashes while using the facilities or equipment, climbing walls, bouldering areas, landing pits, work out areas, floors below climbing areas, work out areas, bathroom facilities, or stairs; 2) Risk associated with crossing, climbing, or down climbing; 3) Misuse of equipment or facilities, or failure of equipment; 4) My physical strength coordination, sense of balance, and ability to follow or give directions while climbing, belaying, or working out; 5) Fatigue, chill and/or dizziness, which may diminish my/our reaction time and increase the risk of accident; 6) Abrasion from or entanglement with ropes or equipment; 7) The presence, actions or falls of other participants.

I understand the description of these risks is not complete and that other unknown or unanticipated risks may result in injury, illness, or death.

EXPRESS ASSUMPTION OF RISK AND RESPONSIBILITY: In recognition of the inherent risks of the activity which I and any minor children for which I am responsible, will engage in, I confirm that I am (we are) physically and mentally capable of participating in the activity and/or using equipment. I/We participate willingly and voluntarily and I assume full responsibility for personal injury, accidents or illness (including death), and any related expenses. I also assume responsibility for damage to or loss of my/our personal property. I also assume risk for accidents or injury caused by the negligence of my belayer or spotter whether such negligence is comparative or contributory. I am aware of the meaning of the terms "Unroped Climbing (AKA: 'bouldering')", "Top Rope Climbing", and "Lead Climbing" and understand the differences between the activities. I accept that lead climbing is the most dangerous due to the hazard to both leader and follower. I agree to be checked out on climbing and belaying skills prior to participation, and to follow posted rules. I acknowledge that wearing appropriate clothing and footwear are basic safety precautions, and that wearing a UIAA approved helmet may help prevent head and/or neck injuries.

I assume the risk(s) of personal injury, accidents and/or illness, including but not limited to sprains, torn muscles and/ or ligaments; fractured or broken bones; eye damage; cuts, wounds, scrapes, abrasions, and/or contusions; dehydration, oxygen shortage (anoxia), exposure and/or altitude sickness; head, neck, and/or spinal injuries; insect bite or allergic reaction; shock, paralysis, and/or death.

COVENANT OF GOOD FAITH: I recognize that you, as provider of services, will operate under a covenant of good faith and fair dealing, but that you may find it necessary to refuse or terminate, the participation of any person you judge to be incapable of meeting the rigors or requirements of participating in the activity. I accept your right to take such actions for the safety of myself and/or other participants.

AUTHORIZATION: I hereby authorize any medical treatment deemed necessary in the event of any injury or illness while participating in the activity. I either have appropriate insurance or, in its absence, agree to pay all costs of rescue and/ or medical services as may be incurred on my/our behalf. I agree that any film or photographs of me/us, as participants, become your property and may be used for promotional or commercial purposes.

RELEASE: In consideration of services or property provided, I, for myself and any minor children for which I am parent, legal guardian or otherwise responsible, any heirs, personal representatives or assigns, do hereby release:

THE VERTICAL EDGE CLIMBING CENTER,
its principals, directors, officers, agents, employees and volunteers, and each and every land owner, municipal and/or governmental agency upon whose property an activity is conducted, from all liability and waive any claim for damage arising from any cause whatsoever (except that which is the result of gross negligence).

I have read and understood the foregoing acknowledgment of risk, assumption of risk and responsibility, and release of liability. I understand that by signing this form I may be waiving valuable legal rights.

The Vertical Edge Climbing Center reserves the right to deny facility access to any individual or groups permanently or for a specified period of time for breach of contract in following the safety rules, or for any conduct that is viewed by the VECC as unsafe or inappropriate.

Thanks for your cooperation. *The Vertical Edge Inc.*

I HAVE READ AND UNDERSTAND THE ABOVE RULES. _____ (initial)

HELMET WAIVER (Sign if you will not wear a helmet)

I, the undersigned, recognize the dangers inherent to climbing. I am assuming the hazard of the risk upon myself since I wish to climb. I realize I am subject to injury from this activity and that no form of preparing can remove all of the danger to which I am exposing myself. I am aware of the safety policy requiring the use of a protective helmet which could prevent permanent brain damage in the event of an accident. Against the advice of The Vertical Edge Climbing Center, I am refusing the critical safety protection.

Climber must write in the above space: *I have read and understand this helmet waiver*
